F.No.15-1/2014-RMSA-IV

Government of India Ministry of Human Resource Development Department of School Education and Literacy *****

Shastri Bhawan, New Delhi 20th May, 2014

MINUTES OF THE 39TH PROJECT APPROVAL BOARD MEETING (19TH COMPOSITE MEETING) HELD ON 24TH MARCH, 2014, FOR APPROVAL OF THE ANNUAL WORK PLAN & BUDGET FOR RASHTRIYA MADHYAMIK SHIKSHA ABHIYAN (RMSA) AND ITS CONSTITUENT SCHEMES INCLUDING ICT, GIRL'S HOSTEL, VOCATIONAL EDUCATION AND IEDSS FOR THE FOR THE STATE OF **WEST BENGAL** FOR 2014-15.

- 1. The Meeting of the Project Approval Board for considering the Annual Work Plan & Budget 2014-15 for the State of West Bengal under Rashtriya Madhyamik Shiksha Abhiyan (RMSA), ICT, Girls' Hostels, Vocational Education and IEDSS was held on 24th March, 2014, under the Chairpersonship of Shri R. Bhattacharya, Secretary (SE&L). List of participants who attended the meeting is attached at Annexure-I. The Fact Sheet of the State of West Bengal with Educational Indicators is attached at Annexure-II.
- 2. Secretary (SE&L), at the outset, welcomed all the participants'. Thereafter, Joint Secretary (SE-1), Ms. Radha Chauhan, briefed PAB that at the beginning of the 12th Five Year Plan (2012-13), RMSA had committed liabilities to the tune of Rs. 8500 crores, but since no new works were approved in 2012-13 and with limited approvals in the year 2013-14, the committed liabilities have come down to the tune of Rs. 4800 crores. However, the concern still remains since a number of States/UTs still have

a huge backlog of Non-Recurring works which could not be started due to the fixed cost norms of earlier approvals, and where the States/UTs have not been able to arrange for the gap-funding between the earlier approved norms and the State SoRs, and where the funds have been released to the States/UTs resulting in the situation where the States/UTs are sitting on a huge unspent balance. She informed the PAB that this has resulted in preventing the release of funds from the Ministry on one hand, which later on may lead to surrendering of funds from the scheme, while the Scheme itself suffers from lack of funds. In light of the situation the State was requested to utilize the funds sanctioned to enable further releases as well for new approvals being considered by the PAB.

- 3. She also noted that that there is a need for the State to shift the activities of the subsumed components to the RMSA SPD. She informed that for the funds for all the above components being released to the RMSA Implementing Society (Through the State), all correspondence and communication will be with RMSA SPD and the Secretary Education of the State/UT including financial matters concerning all its subsumed components. Therefore, the States/UTs would do well to streamline the activities relating to ICT @ Schools, IEDSS, Vocational Education and Girls' Hostel functioning into the RMSA Society and formally notify the RMSA SPD as the nodal person anchoring all these activities.
- **4.** She also informed the Board that in order to facilitate efficient implementation and also address issues relating to the amount available to States under MMER, following provisions have been made:
 - (i) Release of ad-hoc recurring grant to the tune of 25% of the expenditure incurred in the previous FY by the States/UTs.
 - (ii) Facility of spill-over of funds relating to approvals of non-recurring grant that would provide States/UTs with the flexibility to deploy funds

regardless of year of its approval (but as per norms under which they were approved).

- (iii) MMER to be available as against the Annual Plan approval.
- **5.** General issues highlighted for consideration and guidance of the PAB:
 - (i) Quality of Inclusion in Secondary schools (CWSN under IEDSS):

 The issue of deployment of special education teachers was highlighted before the PAB. It was pointed that at present there is no deployment policy of special education teachers in any State/UT and their (special education teachers) role in secondary classes needs to be clearly outlined. At present, in most States/UTs, most of these teachers have not been deployed in the schools but rather at the block headquarters with no defined role and responsibility.

PAB advised that States should ensure that all these special education teachers (for whom the financial support is being made from IEDSS) should be deployed in the school(s), and if they are serving more than one school in the vicinity then their formal deployment should be with the school having larger number of CWSN children.

PAB also requested NCERT to guide the States by detailing the role of special education teachers at the secondary level and if need be modify the curriculum to meet the needs of CWSN children. Even though the IEDSS scheme has been subsumed under the RMSA, the planning and implementation of this component is still being carried out in an isolated manner at the implementation level, with some of the States/ UTs still implementing the interventions under this component totally through NGOs which is adverse to the overall objectives of scheme which envisages State as the prime implementing agency and NGOs role being limited in aiding and supporting the State.

The PAB emphasized that Secondary Schools need to be made more inclusive for CWSN, with adaptations to infrastructure to be planned under the RMSA non-recurring / civil works component, while the teacher training for improving inclusive practices (targeted at CWSN) of subject teachers should be within the RMSA teacher training package.

(ii) **UDISE Data**: The issue with regard to the quality of **UDISE data** of the State/UTs was also raised. In the current year, MHRD/ TSG has used UDISE data to verify the distance from the UPS to the proposed secondary school and on the basis of distance shown in the UDISE data, the current year proposals for establishing new schools have been appraised. However, the State/UTs claim some technical problem in Column no 19B of the UDISE DCF which results in inconsistency as the distance from UPS to Secondary Schools is shown as zero in many cases even if the actual distance is 6km or 15 kms. Due to this discrepancy in the data, proposals for new school were not be found eligible for up gradation.

NUEPA was requested to look into this and the State/UTs may pursue the matter of correcting the UDISE data with NUEPA.

Though the timeline for sending the UDISE data (Elementary and Secondary) to NUEPA is December every year, it is seen that that States/UTs have not been able to send their UDISE data to NUEPA in time, which in turn causes delay in the appraisal of RMSA plans, since they are based on the UDISE data.

There are Discrepancies in the UDISE data, which are reflected in the mismatch between this years' data (2013-14) and last year's data (2012-13).

The coding /categorization (lowest class/ highest class) is being followed differently in different States/UTs, resulting in various interpretations of the number of schools, for a same set of schools. Thus, while in Kerala, a school is given a single UDISE code for the

Primary, Upper Primary, Secondary and Higher Secondary, in Andhra Pradesh, Madhya Pradesh, Chhattisgarh, Rajasthan and Odisha, etc, the UDISE code for Primary school is different from the code of the Secondary school and from that of the Higher Secondary school, etc, resulting in these States showing a higher number of government schools.

PAB requested NUEPA to clarify this and this is especially critical since the UDISE will be the official data from this year onwards.

- (iii) Quality Interventions- Adoption of Project Based Approach: The PAB outlining the overall shift that is needed with four years of activity based interventions under the Quality head of RMSA, emphasized the need for the States to adopt a holistic project based approach to interventions wherein selected activities are put together in a manner that the outcomes and objectives that are envisaged through those interventions that are clearly defined and are measurable over a period of time through basic indicators such as enhancement in enrolment ,retention, transition, performance or reduction in drop out and so on. Each such intervention needs to be substantiated by its performance outcome which should be taken up for evaluation by the State/UTs as part of its MMER activities.
- (iv) In view of the limited availability of funds under the programme and also the fact that States/UTs have been unable to act on previous approvals relating to recruitment and appointment of staff, PAB indicated that approvals regarding Lab Attendants, Librarians and Multi task Support Staff previously committed but not yet acted upon be revoked with immediate effect. Approval/Commitment for salary was for that particular year and if not acted upon and not revalidated specifically, later on stands withdrawn.
- (v) PAB also took note of huge backlog in recruitment and appointment of approved teachers. In view of the limited fund availability under the

scheme, it was noted that provision of salary under the annual recurring grant shall be earmarked and committed only for personnel formally in place. Any subsequent appointment commitment of RMSA funds will be subject to availability of funds in the current year.

6. The issue of Notification of the State Govt. for converting Non- Government aided schools to Government sponsored schools was discussed as the State requested that the schools be considered for coverage under RMSA. PAB noted with concern the Notification referring to RMSA coverage being the main reason for its Notification and expressed it objection to the same. The State Government formally as well as in its discussion with Govt. of India has submitted that this initiative is totally the State Govt. initiative and the Govt. of India has been consistently emphasizing the fact that it has no role to either guide or support the State in this course, therefore for the State Govt. to have indicated to RMSA in its Notification as reason for conversion is highly objectionable, inappropriate and untenable. The State was therefore advised to note the concern and objection of the PAB on its record and take appropriate action to put the record straight.

The State Govt. submitted that there are no cases pending in court relating to Notification and only in a single case the portion of Clause-VI has been stayed to which the State has not filed any counter affidavit. The PAB requested the State to formally communicate its oral submission in PAB for record and also that this deliberation be made a part of the minutes of this PAB. It was noted that with effect to this Notification, the aided schools will be effectively under the overall control of the State Govt. through its Management Committee wherein the President and Secretary, especially, will be State Government nominee. The overall management has been vested in School Management Committee and in an extreme situation; the State Govt. can take over the management under Clause 25 of the Notification.

- 7. The PAB noted that as and when the school management committees are notified by the State Govt. those schools can be taken up as eligible for the purpose of RMSA. Therefore, the new schools proposed by the State still need to be further shortlisted as those schools wherein the management committee has been notified by the State Govt. will be eligible for funding under RMSA. List of such schools thereon can be approved for coverage under RMSA as per its existing norms. The progress of non- recurring approvals shall be taken up for review every quarter in view of its huge backlog of civil works.
- 8. Thereafter, Ms. Ankita Mishra Bundela, Deputy Secretary, RMSA-IV gave a detailed overview of status of progress of RMSA in West Bengal. Copy of the presentation is placed at **Annexure-III**. It was pointed that out of 9725 secondary schools in the State 7488 schools are Govt./Govt. Sponsored schools and 1112 schools are Govt. aided schools. The State has 14 Special Focus District of which 7 are both SC and Minority concentrated, 5 are only Minority concentrated and 2 are only SC concentrated. The State has 87 EBBs and also two Left Wing Effected Districts. The GER at the secondary level for the State has increased from 71.43 % in 2012-13 to 77.69 % in 2013-14. The GER for girls (84.87%) is more than that of boys (70.88%). Over the last one year the enrolment of students at the secondary level has increased by 4.63%.

9. AREAS OF STRENGTH

- The State has an Access Ratio of 98.09%. Out of 56321 habitations in the State, 55245 are covered with secondary schooling facility within 5 kms.
- ii. The State has projected a requirement of 42 secondary schools to cover remaining 1076 habitations.

iii. Since the inception of RMSA 402 schools have been up graded to the secondary level by the State.

10. AREAS OF CONCERN:

- i. Discrepancy is observed in UDISE Data as regards management of schools. Reportedly 1100 Government aided schools are shown in the category of government schools which has subsequently been filtered for appraisal purpose. The State was requested to rectify the same on priority so that there is absolute clarity.
- ii. The State has a high Dropout rate of 17.67% at the secondary level which is an area of concern. The Dropout Rate of girls (19.77%) is more than that of boys (15.34%). The State was advised to ascertain the reasons for the same and initiate necessary measures to contain the trend.
- iii. Student Classroom Ratio at 82 is very high as per RMSA norm of 40.
- iv. Discrepancy is observed in Pupil Teacher Ratio. As per UDISE it is 58 however the State has reported the Pupil Teacher Ratio is 43. State to clarify the position.
- v. Slow progress is observed in implementation of civil works .Only 30.8 % of civil works approved under the Programme have been implemented.
- vi. As per UDISE, 69.17 % teachers in Govt. schools are qualified and only 43.29% teachers in Govt. aided schools are qualified.
- vii. Of the total teacher training approved under the programme only 4% of training has been completed.

11. PROGRESS OF WORKS UNDER RMSA:

(I) NON RECURRING

Till date strengthening of 103 schools have been approved under RMSA (96 in 2009-10 and 7 in 2011-12) with a total budgetary outlay of Rs. 34.28 crore and Central Share of 25.71 crore out of which till date Rs. 10.18 crore have been released to the State.

As regards physical progress, till date almost 30% of approved works have been taken up. Out of 193 additional classrooms, 100 Science Labs, 99 Computer Rooms, 99 Library Rooms, 77 Art & Craft rooms and 39 Toilet and Drinking water facilities approved under RMSA, 44 ACR, 38 Science Lab, 39 Computer room, 38 Libraries and 20 toilet and drinking water facilities have been completed. No progress has been reported for the civil works sanctioned in 2011-12. As regards financial progress the State has reported an expenditure of Rs. 12.25 crore.

(II) RECURRING

For the year 2012-13 out of an approved outlay of Rs. 3.18 crore and central share of Rs. 2.38 crore was released. The State has reported an expenditure of Rs. 5.82 crore as per Audited Statement of Account.

For the year 2013-14 the AWP&B for the State could not be appraised and considered by the PAB due to the ongoing process of conversion of willing Non-Government aided secondary schools into Government sponsored schools by the State Government and resultant discrepancy in UDISE.

Since no approval was granted in 2013-14, the PAB did not agree to reimburse the expenditure incurred by the State for excursion trips, school grant, Minor Repair Grant. The State was advised to fund the same out of its own budget. However, on the request of Secretary West Bengal, PAB agreed to reimburse the expenditure of Rs. 3.02 lakhs incurred by the State of MMER activities.

12. ANNUAL WORK PLAN AND BUDGET FOR 2014-15:

The proposal of the State was discussed at length intervention wise and the following decisions were taken as detailed below. The Costing Sheet is placed at **Annexure-IV.**

RASHTRIYA MADHYAMIK SHIKSHA ABHIYAN (RMSA)

S1. No.	<u>Activities</u>
I	NON RECURRING
1.	(i) Up gradation of New Schools: The proposal of the State for up gradation of 42 Government /Government Sponsored Secondary schools was considered and approval was accorded for up gradation of Buhalkabhari Junior High School District Uttar Dinajpur (UDISE Code-19040510902) found eligible as per RMSA norm as per State Schedule of Rates subject to confirmation from the State regarding status of the school being either Government school/Government sponsored in view of the discrepancy in UDISE Data. Since all schools in West Bengal are composite in nature the State was advised to seek convergence as regards Headmasters Room. Remaining schools could not be approved as 26 schools are not having Class VIIIth. One school already has a secondary section, 4 schools do not qualify as per enrolment norm, 3 schools do not qualify as per both distance and enrolment norms.
	(ii) Strengthening of 974 existing Govt./ Govt. Sponsored Schools: Proposal for strengthening of 974 Government/Govt. sponsored school was considered by the PAB. 851 Govt./Govt. sponsored schools were found eligible as per RMSA norms. Keeping in view the cap of allocation of not more than 60% of total budgetary outlay for civil works, 287 schools as prioritized by the State

Government, were approved by PAB for strengthening under RMSA with the following components in accordance with the infrastructure gap analysis on the basis of UDISE data provided by the State: 861 Additional Classrooms, 278 Integrated Science Labs and Equipments, 160 Computer Rooms, 46 library, 285 Art and Craft rooms and 13 toilet blocks as per State Schedule of Rates. List of schools placed at **Annexure-V.** Out of 287 schools 221 are located in Special Focus District.

As per UDISE, remaining 123 schools were not found eligible, as land is not available in 107 schools, 15 schools are running in private buildings and one school has already been covered under RMSA for strengthening.

Further, out of 103 schools approved for strengthening under RMSA in the previous years, PAB <u>agreed to the cancellation of 4 schools as according to UDISE two schools are primary schools</u>, one school has been approved twice and one school is not Government. List of schools placed at **Annexure-VI**.

II RECURRING

1.

(i) Additional Teachers for Existing Schools: The proposal of the State for financial support for engaging 21069 additional subject teachers in existing Government/ Govt. Sponsored schools was considered and the State was advised to submit detailed proposal for additional teachers, if any, required in 287 schools approved above for strengthening, with full details including number of sanctioned posts, number of posts vacant, enrolment of students, State norms for providing additional

teachers, Pupil Teacher Ratio etc. so that the proposal can be effectively appraised.

(ii) Engaging Lab Attendant and Office Assistant in Existing Govt./Govt. Sponsored Secondary Schools: The proposal of the State for engaging 1000 Lab Attendant and 1000 Office Assistants in existing secondary schools was considered by PAB and the State was advised to engage the support staff in existing secondary schools out of the State fund.

2. School Grant:

The proposal for School Grant @ Rs. 50,000/- per school in respect of 7480 Government and Government Sponsored Secondary Schools was considered and approved for 7462 schools.

Proposal for School Grant for 1706 Government aided secondary schools was considered and could not be approved as RMSA norms do not provide for the same.

3. Head Master and Teacher Training:

(i) In-Service Training of Head Masters in Teaching Position and Existing Teachers: The proposal for in service training of 82,414 existing teachers and 5733 Head masters for 5 days @ Rs 300 per day was considered and approval was accorded for training of 1684 Headmasters found in teaching position as per UDISE in Government and Government Sponsored schools and 20,530 teachers in Government /Government Sponsored and Government aided secondary schools for 5 days @ Rs 300 per day.

Approval for teacher training was restricted to 50% of the teachers in Govt./Govt. sponsored and aided schools in view of

the performance of the State in implementing teachers training as approved under the programme and capacity of Teacher Training Institutes in the State.

The State was advised to chalk out a training calendar, work out disaggregated subject wise target of teachers to be trained and ensure that modules on gender sensitization, guidance and counseling, inclusive education and use of ICT is embedded in all teacher training modules. The State was also advised to endeavor to leverage the training packages developed by NCERT for professional development of Science, Mathematics and Social Science teachers and closely involve SCERT in conduct of trainings.

- training of Master Resource Persons: The proposal for training of 200 Master Resource Persons for 5 days @ Rs.

 300/- per day was considered and approved. The State was advised to consult and collaborate with NCERT and RIE, Bhuvaneshwar while conducting the training of MRPs.
- (iii) Training of Key Resource Persons: The proposal for training of 200 Key Resource Persons for 5 days @Rs. 300/- per day was considered and approved. The State was advised to consult and collaborate with NCERT and RIE, Bhuvaneshwar while conducting the training of KRPs.
- (iv) School Leadership Development Programme for Head Masters: The proposal for training 60 State Resource Persons have 200 Head Masters of Govt./Govt. sponsored secondary schools under School Leadership Development Programme through NUEPA was considered and approval was accorded for training of 50 State Resource Persons and 200 Head

Masters for 10 and 16 days respectively @ Rs. 300/- per day academic year 2014-15.

5. **Quality Interventions**:

- (i) Provision of Sports Equipment for Govt./Govt. Sponsored Secondary Schools: The proposal for provision of Sports equipment in 100 Govt./ Govt. sponsored schools @ Rs 20,000 per school was considered and approved as per RMSA norms. The State was requested to provide list of schools for record and reference. The PAB also advised the State to oversee the procurement of quality assured equipment through decentralized mode.
- (ii) Science Exhibition at District Level: The proposal for organizing Science Exhibitions @ Rs. 1 lakh per district for 21 Educational Districts was considered and approved for 20 Administrative Districts in the State.
- (iii) Book Fair at District Level: The proposal for organizing Book Fairs @ Rs. 1 lakh per district for 21Educational Districts was considered & approved for 20 Administrative Districts in the State. The State was advised to organize the Book Fairs in consultation /collaboration with National Book Trust.

6. Guidance and Counseling:

Education to Employability Project: The proposal for implementation of Education to Employability Project across 15,00 schools @20,000 per school was considered and it was clarified that the Guidance and Counseling Grant under RMSA is for strengthening the existing Bureaus of Guidance in the

States/UTs. The State was requested to share the existing structure and processes in place for Guidance and Counseling of secondary school students and the Perspective Plan for strengthening the same as per need.

Further, to address the concern of counseling of students, the State was advised to endeavor to train at least one teacher in each school in Guidance and Counseling on adolescent issues as part of in service training of teachers. The State was also advised to leverage the Adolescent Education Programme (AEP) developed by NCERT for training of teachers and guidance of students after necessary contextualization.

7. **Equity Interventions:**

- **Balika Shiksha Utkarsh Abhiyan**: The proposal of the State for Balika Shiksha Utkarsh Programme could not be considered and recommended in the absence of detail regarding strategy, outcome and budgetary outlay.
- training to girls students in 1000 Government and Government sponsored schools across 20 districts @ 50 schools per district for 15 days was considered and approval was accorded for imparting self defense training to girl students in 1000 schools @ Rs 3000 per month per school for one month as honorarium for Trainers. The State was also requested to share the list of 1000 schools for record and reference.
- (iii) Special Teaching For learning Enhancement: The proposal of the State for providing special teaching for learning enhancement in case of 4800 students belonging to SC/ST groups under Dalit Utkarsh Abhiyan and to 5000 students

belonging to minority groups under Shankhalagu Utkarsh

Abhiyan in Government and Government Sponsored Secondary Schools was considered and approved for 9800 students @ Rs 500 per student as proposed.

The State was advised to devise a clear strategy for imparting special teaching on the basis of empirical assessment of learning levels of students and also undertake an internal evaluation of the impact of the activity in terms of improving the learning outcomes of the children who have been administered the special teaching and share the same with the Ministry. List of such children identified school wise must also be provided by the State.

8. **Community Mobilization**

Training of SMDC Members: The proposal of the State for training of 14847 SMDC members was considered and since all the Government/Government sponsored schools except one are composite in nature as per UDISE, to avoid duplication and for effective participation of community in school management, the State was advised to endeavor to integrate the SMDC with SMC in all composite schools with a provision of separate Academic and School Building Committee in accordance with the communication of this Ministry dated 24.11.2011.

9. **MMER:**

In view of small budgetary outlay, the MMER for the UT was approved @ 4% of the total approved budgetary outlay for RMSA and its constituent Schemes.

It was clarified that funds for the Government Sponsored Schools will be released only after new School Management Committees in accordance with the Rules For the Management of Sponsored Institutions (Secondary), 1972 are set up by the State Government and duly intimated to the Ministry.

13. ICT@SCHOOL

PAB was informed that till date, 3948 schools were approved for coverage under ICT@ Schools Scheme in the year 2007-08 (543 schools), 2008-09 (1400 schools) and 2010-11 (2000 schools & 5 smart schools) for which out of the total amount of Rs. 19408.75 lakh towards Central Share, an amount of Rs. 13139.89 lakh has been released leaving behind a committed liabilities amounting to Rs. 5673.747 lakh. However, out of the 3948 schools approved in the indicated years, discrepancies (ranging from school being private schools, inclusion of Central Govt. schools, non-availability of UDISE code school being repeated etc.) have been noticed in respect of 33 schools. State Government may provide the list of all the 3948 schools, along with the UDISE code within a month, failing which these 33 schools identified as being outside eligibility norm and the ones being duplicated will be deemed to be cancelled, and the corresponding amount of the funds will be deducted against RMSA future releases.

MHRD had previously, requested West Bengal to clarify regarding the inclusion of Central Govt. Schools (KVS and NVS schools) within the number of schools approved to be covered under ICT@Schools to which the reply is still awaited. State is also requested to send the details regarding development and use of econtent, use of internet resources and status of ICT teachers training.

The State is yet to provide the details of the implementing agencies through which ICT activities in these 3948 schools are being implemented.

The State has proposed 3500 new schools for coverage under the scheme under its AWP& B 2014-15, which were not approved due to huge past liabilities.

14. IEDSS

It was observed by the PAB, that States have not been able to give detailed proposals under IEDSS and in most cases it has been totally left to the NGOs to formulate and implement the proposals. States have completely disengaged themselves of their role and responsibility as the main implementation agency. States are, in many cases forwarding proposals of the NGOs without any diligence at their level which is contrary to the spirit of the Scheme.

PAB also noted that since a major financial recurring component of the scheme is of salary for special teachers, the States have to ensure that their annual proposal incorporates and substantiates in detail State's commitments. The commitment of GoI will be subject to it being approved as part of the AWP& B and will be limited to the year in which it is approved.

In light of limited availability of funds and the fact that recurring grants lapse at the end of FY, reimbursements will not be entertained beyond the FY unless and until it is specifically sought and more importantly approved and revalidated by the PAB. However, in no case, proposals not approved in previous years including teacher's salary will be considered for reimbursement.

Since no approval has been accorded under non-recurring expenditure, therefore, there is no committed liability on the part of Govt. of India under non-recurring expenditure.

NON-RECURRING

The State Govt. proposed equipment of resource rooms for 341 hostels rooms, removal of architectural barriers in 1025 schools and toilets for CWSN in 1335 schools. Since the component propose are necessarily to be an integral part of schools in RMSA and SSA, therefore, PAB noted that the resource room of SSA can be equipped for RMSA also without any additional funding.

RECURRING

The State Govt. proposed recurring grant for student oriented components, salary of special education teachers, in-service training of teachers etc.

PAB approved the student oriented component as per items mentioned below:-

(i) Student oriented component for 24001 CWSN @ Rs.3000 per CWSN with a total outlay of Rs. 720.03 lakhs.

OTHER COMPONENTS:

- (ii) Proposal for orientation of Principals, Educational Administrators and Parents for 24001 Principals, Educational Administrators and Parents for one day @ Rs.200/- per day with total outlay of Rs.48.00 lakhs.
- (iii) PAB approved Proposal for salary of IEDSS Administrative Cell as part of overall MMER.

PAB has not approved the following:

- i) Proposal for Salary of 1452 New Special Education Teachers because during the year 2012-13 PAB had approved the post of 485 Special Education Teachers but till date no recruitment has taken place, therefore the proposal for 1452 New Special Education Teachers not approved.
- ii) Proposal for in-service training to 5143 General teachers is not approved as the same is to be part of the RMSA regular training programme.
- iii) Proposal for equipment to resource rooms not approved due to the fact that during 2001-12 PAB had approved equipment for resource rooms in 20 districts for procurement of equipment for resource

rooms. However, the State Govt. has not furnished the name of equipment with actual cost and list of schools with UDISE Code.

The total outlay under recurring component approved for 2014-15 comes to Rs.768.03 lakhs.

Further, PAB was informed that since there is a huge large variation in coverage of CWSN since 2010-11 and recruitment of special education teachers in proportion to existing CWSN has not taken place, there is a need of special audit to be carried out. It may be pointed out that in the year 2010-11 the number of CWSN were 18419 and in the subsequent year of 2011-12 the coverage of CWSN decline sharply and reached to 11653. In the year 2012-13 again the coverage of CWSN rose of 21473 which is abrupt 100% doubling of previous year. In the year 2014-15 the number of CWSN covered were 23032 which is based on the UDISE data, however, State Govt. had indicated the number of CWSN as 24001. The reason of sharp variation could not be explained by the State Govt. convincingly. It is further pointed out that the special teachers available for imparting education to large number of disabled children are quite less as per scheme norm, however, there seems to be no teacher available for imparting education to large number of visually impaired, hearing impaired and mental retardation. Since as per status available by the State Govt. there are only 485 special education teachers approved in the year 2012-13, however, State Govt. could not make available their appointment status till now. The above facts substantiate the need special audit to be carried out by the State to ensure implementation of the scheme in its true spirit of inclusion.

15. GIRLS HOSTEL

No proposal has been received from the State Govt.

The PAB however, <u>ratified the total outlay of Non recurring grant of Rs.</u> 6804.80 lakhs plus MMER of Rs. 170.12 lakhs for construction of 62 girls'

hostels in view of the in principle approval for construction of 62 hostels in the year 2009-10 subject to furnishing the full ownership of the Girls Hostels by the State Govt. etc. as required under the Scheme.

PAB also approved non-recurring grant amounting to Rs.969.23 lakhs released on 13.3.2014 based on the unit cost varying from Rs. 103.801 lakhs to Rs. 136.033 lakhs on State SORs with unit area of 11650 sq. ft.. Additional cost of construction amounting to Rs. 993.133 lakhs on the excess area of 1700.27 sq. ft. over and above the permitted scheme norms of 11650 sq. ft. would be borne by the State Govt. as per written undertaking vide letter No. 927-SE(S)/10M-60/2008-Pt) dated 21.6.2013. The State Govt. has also indicated that lease deeds for the 62 hostels has been executed between the State Govt. and Management Committees of the Schools vide their letter dated 19.10.2012. The State Govt. has also furnished the check list with drawings as per the norms of the Scheme and declaration with the fact that construction of the girls hostels will be as per the norms of the Scheme.

16. VOCATIONAL EDUCATION

The PAB noted that during the year 2011-12 implementation of vocational education in 93 Government and Government sponsored schools was approved under the CSS of VHSE in NOS compliant job roles in four trades, namely – Retail (Sales Associate), IT/ITeS (IT Service Desk Attendant), Automobile (Automobile Service Technician) and Security (Unarmed Security Guard) for an approved outlay of **Rs. 1587.91 lakhs**, out of which **Rs. 768.31 lakhs** has been released to the State Government as 1st installment after deducting the unspent balance of **Rs. 24.20 lakhs**. The State has implemented vocational education from Class 9th onwards in 93 schools form the academic session 2013-14.

It was noted that while implementing the Scheme the State has changed the location of 34 schools on account of various reasons. After detailed discussions, PAB acceded to the request of the State and approved the change in the location of 34 schools as a onetime measure. It was also observed that out of 93 schools, 3 schools were found to be primary schools as per UDISE. PAB requested the State to clarify the position to enable the Ministry to consider any release of further recurring funds to these schools. List of 93 schools including the 34 schools replaced by the State and approved by the PAB and the 3 primary schools is placed at **Annexure-VII**. The 34 schools approved earlier are to be treated as cancelled (**Annexure-VIII**). The State was advised to do the due diligence at the time of preparation of the plan proposal so as to avoid such alterations. It was also clarified that in future no request for change in location of schools will be considered.

As regards the Scheme of subjects, it was pointed out that in West Bengal, vocational education is being taught as an 8th 'optional subject' in addition to seven compulsory subjects - Mathematics, Life Science, Physical Science, History, Geography and two languages. The State was advised to take up the matter with the State Board of Education on priority and make necessary provision for students opting for vocational subjects to obtain certain minimum marks to be able to move to the next higher class or else the purpose of outcome/competency based learning as envisaged in the National framework will be defeated.

As regards assessment of skills by Department of Technical Education & Training, Government of West Bengal and Directorate of Vocational Education and Training, West Bengal, the State was requested to ensure that the SSCs are closely involved at every level for the assessment of the skills of the students.

The State was also requested to ensure effective co-ordination between the Department of Technical Education & Training and Department of School Education as regards implementation of the Scheme.

In view of the revision of the Scheme as approved by the Cabinet, on 12th Feb 2014, the recurring costs for continuation of the Scheme in the **93** schools in 2014-15 as per revised norms were considered and approved by the PAB for an amount of **Rs. 1121.58 lakhs** as the total annual outlay on **75:25** Centre-State Sharing basis with a central share of **Rs. 841.19** lakhs and 1st installment of **Rs. 420.59 lakhs** subject to furnishing of clarification by the State in respect of the 3 schools which are reflected as primary schools as per the UDISE data. The revised recurring cost is at **Annexure -IV.**

As regards the proposal of the Government of West Bengal for introduction of vocational education in additional **107** new schools from **Class IXth** onwards in the academic session **2014-15**, the PAB advised the State to first carry out necessary amendments in the Scheme of subjects as advised above before seeking an expansion.

17. Based on above approvals accorded for various interventions in respect of all 5 Schemes, the total interventions amounting to Rs.17895.17 lakh including the non-recurring interventions amounting to Rs.11096.97 lakh and recurring interventions amounting to Rs.6798.20 lakhs with the Central Share amounting to Rs.13613.39 lakh and State share of Rs.4281.78 lakh have been approved. The MMER in respect of all these Schemes for the approved interventions will come to Rs.688.28 lakh. The Spillover from previous approvals of (Non-Recurring grants) and committed liabilities as against it was noted with reference to further releases of non-recurring grants to the State. The Scheme-wise depiction of the proposals

of the State and approvals accorded by PAB in financial term is capitulated in the following table:

Education Indicators of West Begal

The focus of this section is on the major indicators of secondary education. This includes Gross Enrolment Ratio (GER), Net Enrolment Ratio (NER), Dropout Rate, Retention rate and Transition Rate etc.

UDISE

The state has used UDISE 2013-14 data for preparation of Annual Work Plan 2014-15.

Enrolment

The total Enrolment at state level in all secondary schools in the year 2013-14 is 2520460, out of which 1180573 are boys and 1339887 are girls. The representation of boys and girls in the total enrolment is 46.84% and 53.16% respectively. The enrolment in the year 2013-14 has increased by 111510 (4.637%) from the previous year. The enrolment has also increased considerably form 2104661 (19.76%) in 2010-11 **SSE.**

Enrolment (Secondary level)

Year	Boys	Girls	Total
2013-14	1180573	1339887	2520460
2012-13	1141154	1267796	2408950
2011-12	1114665	1034267	2148932

Gross Enrolment Ratio (Secondary level)

The Gross Enrolment Ratio at Secondary level is 77.69%, which has increased from 71.43% in the year 2012-13. The GER has considerably been increased from 59.0% in 2010-11 **SSE.** The GER of SC and ST at state level are 93.33% and 78.00% repectively. The GER of SC is more than all community GER by 15.64%. The districts having low GER viz. Kolkata 45.59%, North twenty four pargana 65.93%, Darjiling 66.23% Haora 67.85% and Hugli 68.72% need special attention and intervention.

Gross Enrolment Ratio (Secondary level)

Year	Boys	Girls	Total
2013-14	70.88	84.87	77.69
2012-13	66.52	76.51	71.43
2011-12	NA	NA	NA

Drop-out Rate (Secondary level)

The Dropout Rate at state level is 17.67% in the year 2013-14, which has decreased from 24.96% in 2012-13. The droout rate of SC and ST at state level are 18.53% and 19.04% repectively. The high dropout rate in districts Dakshin Dinajpur 22.58%, Soth twenty four

pargan 21.07%, Purba Medinipur 20.93% a and Murshidabad 20.33% need special attention and intervention.

Drop-out Rate (Secondary level)

Year	Boys	Girls	Total
2013-14	15.34	19.77	17.67
2012-13	17.27	29.28	24.96
2011-12	10.34	15.58	13.03

Retention Rate (Secondary level)

The retention rate at State level is 80.41% in the year 2013-14, which has increased form 76.68% in 2012-13. The retention rate of SC and ST at state level are 80.41% and 79.46% repectively. The district having low retention rate viz. Kolkata 74.28%, Koch Bihar 75.31% and South twenty four pargana 75.43% and Hugli 76.62% need special attention.

Retention Rate (Secondary level)

Year	Boys	Girls	Total
2013-14	80.44	80.38	80.41
2012-13	75.65	77.64	76.68
2011-12	79.44	80.36	79.91

Transition Rate:- (class VIII to IX)

The transition rate is one of the important indicators in secondary education. The indicator shows the percentage of children moving to the secondary level (from class VIII to IX). The transition rate (class VIII to IX) at state level is 95.23% in the year 2013-14, which has considerably been increased from 83.8% in 2012-13. The transition rate of SC and ST at state level are 96.86% and 99.14% repectively. The districts having lowest transition rate viz. Kolkata 85.44% needs special attention.

Transition Rate:- (class VIII to IX)

Year	Boys	Girls	Total
2013-14	93.88	96.44	95.23
2012-13	83.27	84.27	83.8
2011-12	82.39	83.52	82.98

Gender Parity Index (GPI)

The GPI at state level is 1.20 in the year 2013-14, which has decreased from last year i.e. 1.15.

Gender Gap

The Gender Gap at state level is -6% in the year 2013-14, which has decreased from -5% in the year 2012-13. The districts having high minus gender gap viz. Murshidabad -15%, Uttar

Dinajpur -13% and Maldah -12% need special attention and intervention for more enrolment drive for boys.

Pupil Teacher Ratio (PTR)

The PTR from UDISE with enrolment 2356224 and teachers 40897 comes out to be 58 but the state has furnished the PTR of 43 in the year 2013-14 which has increased from 42 in the last year. If the PTR furnished by the state is taken in to consideration, the districts having high PTR viz. Uttar Dinajpur 69, Jalpaiguri 64, Murshidabad 59 and Maldah 58 need special attention and intervention.

Student Classroom Ratio (SCR)

The SCR at state level is 82, which has decreased from 95 in last year is an area of concern. The SCR is higher than the prescribe norm of 40. The districts having high SCR viz. Uttardinajpur 148, Maldah 113, Siliguri 109, Jalpaiguri 105, Koch Bihar 104 and Murshidabad 102 need more classrooms.
